- **Strategic lateral placement and recruitment**
- **Confidential law firm practice group mergers**
- **High-level G.C. & senior managerial placements**

### **PERSONALIZED SERVICE**

We get to know the culture of your firm and present candidates from our extensive network of professionals. We can provide a diversity slate of candidates for all of your hiring needs. We are flexible in designing and executing a search that will meet your needs within agreed upon timeframes, collaborative development of a position description and continuous communication with the firm throughout the process.

A detailed executive summary of each candidate will be provided along with objective analysis of core competencies and skills assessment, which means that interviewing time is spent gathering specific quality information.

The Firm's professionals, all former senior level executives themselves, have built long term relationships and outstanding reputations within their respective professional communities – thereby having access to an extensive network – all to the benefit of your firm.
